Good morning,

Thank you for your application for WSDOT’s 2021-2023 Regional Mobility Grant Program. We wanted to let you know that we sent the prioritized funding list to the Legislature for their review as required by RCW 47.66.030 (1)(a). Refer to the [2021–2023 Regional Mobility Grant Program Prioritized Project List](#) for more information.

The Legislature will use this list to guide funding decisions as the state transportation budget is developed. Since the list is part of the transportation budget, we anticipate that projects selected for funding will be announced toward the end of the legislative session.

Please let me know if you have any questions. Thank you.
