

**NOTICE TO WATER SYSTEM USERS  
DISINFECTION BYPRODUCTS MONITORING VIOLATION**

We, Town of Naches Water System, ID # 58100T, located in Yakima County are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. During the  month(s) of 1/1/2019 - 12/31/2019 or  quarter(s) \_\_\_\_\_ in the year of 2019 we did not monitor or test for  Total Trihalomethanes,  Haloacetic Acids, or  Bromate and, therefore, cannot be sure of the quality of your drinking water during that time.

At this time:

- No action is required by the users.
- Samples will be collected in the future as required.
- Other information for customers:

For more information, contact Jeff Ranger at (509) 653-2647 or at 229 E 2nd Street  
(owner or operator) (phone number) (address) PO Box 95

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses.) You can do this by posting this notice in a public place or distributing copies by hand or mail.
